## Market Edges Higher

NEW YORK (AP)—The stock market absorbed some profit taking Thursday and edged higher late in the afternoon as it attempted to make it six days straight on the upside. Trading was active.

Gains outnumbered losses and the industrial average was up slightly.

The market rose at the start, then sagged into irregularity as traders did their usual Thursday evening up. Stocks showed no disposition to retreat any further and the list gradually recovered.

Avco rose nearly three points and General Instrument more than two in active trading. RCA paced the list on volume, taking a fractional loss.

Atlantic Richfield $3 preference stock fell about 1½ and Ethyl Corp., also active, sank about two.

Prices were mixed on the American Stock Exchange.
