LAYNE'S STORY...

January 22, 2013 Layne Edward Schneider was brutally beaten to death in his home. Schneider's parents hope to find justice through a civil court jury trial because no criminal charges have yet been filed in their son's death. All funds raised will be used to assist with court costs and attorney fees. Though this civil suit will not bring Layne back, it will bring closure to family & friends who are still hurting!
