Stock Market Turns Lower

NEW YORK (AP)—Profit-taking snipped off the stock market's string of six straight advances as prices went moderately lower Thursday. Pivotal stocks were slightly higher as the session began, but a selling flurry in mid-morning converted gains into losses. Steels, chemicals and motors were the worst sufferers. Volume totaled 2,180,000.

Proposed School Budget To Boost Taxes Nine Mills

The Marion board of education met Tuesday evening to prepare a budget for the coming year and boosted the school tax nine mills in the proposed budget.

The proposed spending comes to $454,906.50, of which $163,750 is expected to come from other sources than taxation. This leaves $291,156.50 to be derived from taxes.

On the basis of new real estate taxable valuations of $4,733,014, the tax levy would have to be 61½ mills plus the 2½ mills levy voted last spring to apply on future sites and buildings. This would total approximately 12 mills more than last year's millage of 52.414.

The five mills tax on $1,726,629 moneys and credits and the expected $6,700 military service tax credit should reduce the increase to 9 mills, according to a report made at the board meeting.

A hearing on the budget will be held Aug. 2 at the regular meeting of the board. The board also took an option on a five-acre tract for a future elementary school in the Brislawn-Krumboltz addition on South Eleventh street, the former home of Dr. Robert Lenz.

The purchase of a four-drawer safe cabinet to better protect academic records was authorized. Supt. John Messerli met with the board and expressed his appreciation of the excellent manner in which former Supt. C. B. Vernon left the records, and also the aid given him by Supt. Vernon since his resignation.

Bacher Fails To Identify Suspect

DAVENPORT (AP) — Henry Bacher, 59, viewed a police lineup Wednesday night but failed to pick out from the group a man described by officers as "a good suspect" in the slaying of Bacher's wife.

Police said the suspect is "a middle-aged narcotics addict." His name was not released. He had been discharged from the Illinois prison at Joliet about a month before Lucille Bacher, 43, was slain last Nov. 29 in the pharmacy she and her husband operated.

Bacher himself was severely cut and beaten by the same assailant.

Police said they planned to question the man further Thursday. They said he asserts he was employed by the Salvation Army in Des Moines at the time of the Bacher slaying.
