Illinois Man,

The second shooting vic tim was Richard Buchanan 49, Colona, III. He operated a service station at Moline Ill. It was not known why he was at the hotel.

Authorities Tuesday altered details in the slaying of the 2 men. Police Chief George Jones said the victims were not bound and gagged when found in the kitchen of the hotel. He sald it appeared as if both had been tied up and gagged, but worked loose and were shot as they tried to run or during a fight with their assailants.

More Experienced

In our work those most experienced are usually the ones able to provide the best service. Why? Because very often important knowledge of small details can be gained only through experience.

Our many years of experience in the funeral directing profession are an important asset. We have learned to know and anticipate the needs of those we serve.
