CARD OF THANKS: We have not been alone. So many people have cared and shared our hopes and prayers for the safe return of our son, brother and uncle Harry, and hopeful recovery and comfort of our daughter, mother and sister, Charline Tamerius. We have needed and still need your prayers and support to make it through the anxious and sorrowful days ahead. God and Christ and the many acts of kindness and support of our friends, relatives and neighbors helps us in our continuing search for Harry and consolation for our sorrow after the death of Charline. No matter what the deed you extended, or who you are, please know our eternal gratitude. Thank you.
